Laplacian of Image

magnitude

idft

Originalimage
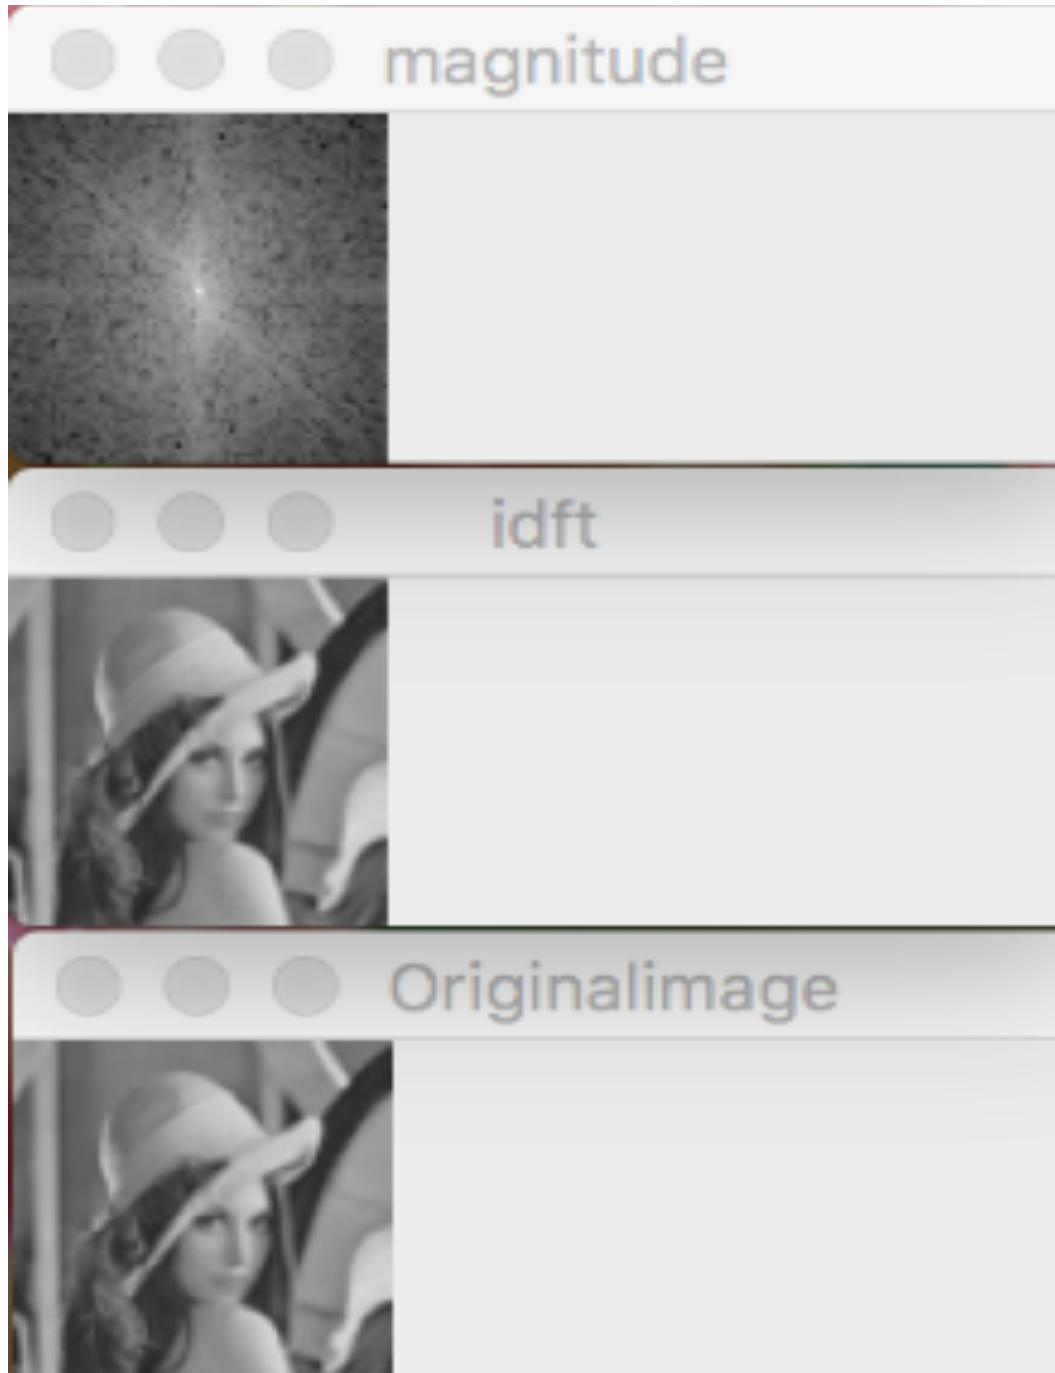

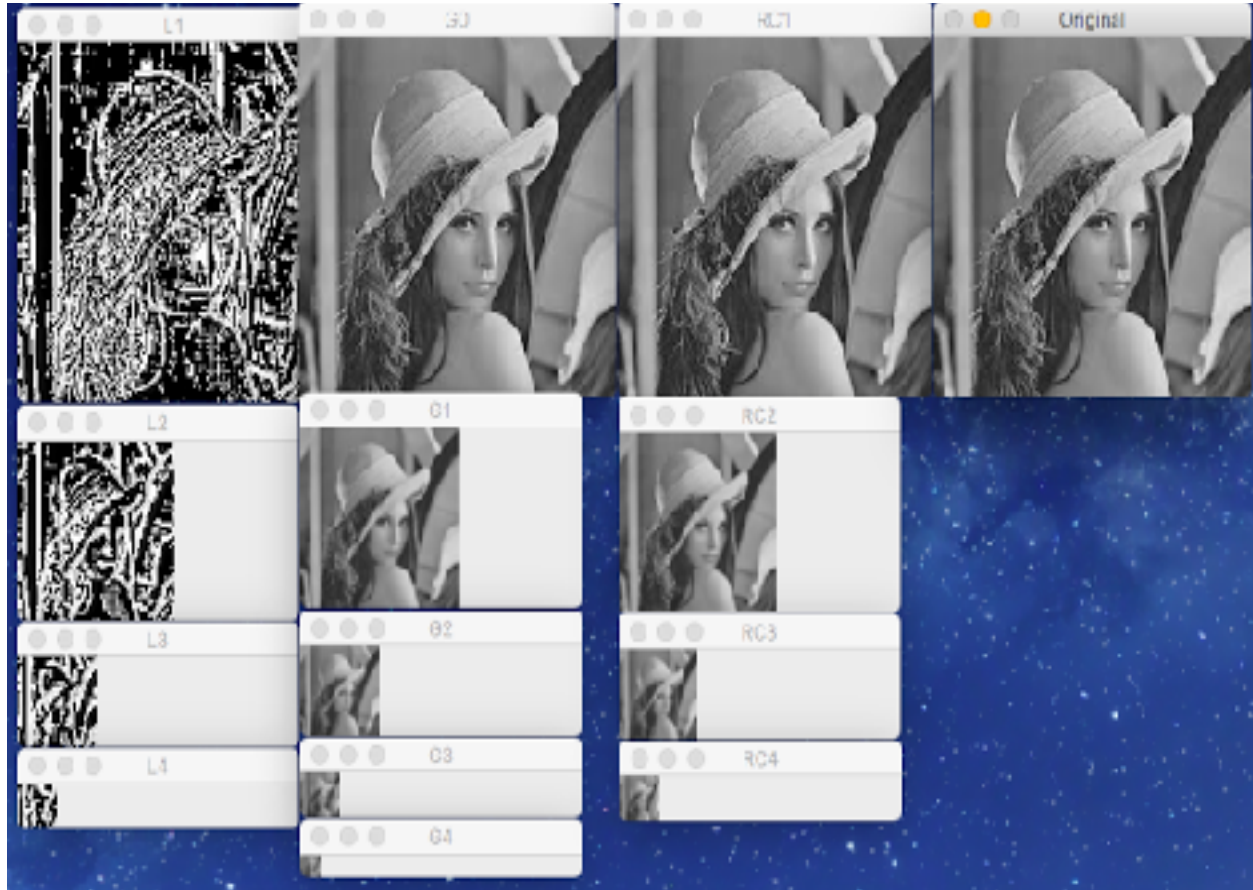

'MSE: ' 78911268.208585978

For MSE, the value will be zero for perfectly filtered images.
The value will not be equal to zero when there are irregularities in the filtered image

Computation of Mean Squared Error
'MSE: ' 0.0

For MSE, the value will be zero for perfectly filtered images.
The value will not be equal to zero when there are irregularities in the filtered image
